

Bike the Trail, Ride the Rail, Lunch at the Lizard We're Heading Back North!

Join Chagrin Valley Ski Club members and their family/ friends on Sunday, June 25th, 2017 for another scenic bike ride on the Towpath of our Cuyahoga Valley National Park.

As we always say, this is an activity which works in "reverse". We can't all meet as a group at the beginning of the ride since different people want to bike different distances and at different speeds. So everyone's start time will be different. You can either bike North and take the train South (which gets back to Peninsula at 1:35 PM) or bike a roundtrip route (North or South) and not take the train.

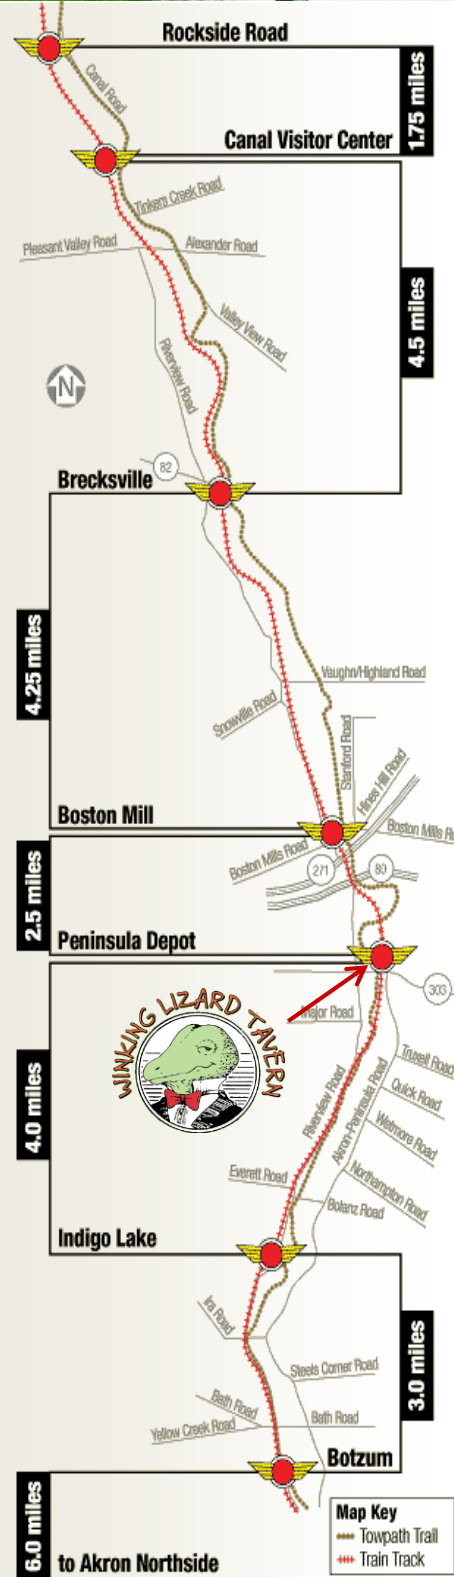

- (1) Pick your distance and figure your average speed (which will determine your start time) and then bike NORTH on the Towpath from Peninsula. The attached train schedules with southbound departing times and distances can help you plan your specific trip.
- (2) Bike to the RR station of your choice for the Cuyahoga Valley Scenic Railroad (www.cvsr.com). Stations are listed on the map to the right. The cost for bikers to ride the train South (back to Peninsula) is **\$3.00 pp** for the one way ticket. Allow yourself to arrive at the station you choose at least 10 minutes prior to the train's departure time.
- (3) Plan on Lunch upon your return at The Winking Lizard Peninsula (winkinglizard.com). Each person is responsible for their own dinner/drink receipt. (**Lunch is planned for 2:00 PM**).

The Towpath is a packed, crushed limestone surface in some areas and paved asphalt surface in others. There are some small hills but the majority of the ride is very flat, running alongside the Cuyahoga River. Mountain bikes or road bikes can be used.

Non bike riders are welcome to join us for lunch!

If interested or you have any questions email or call Ed Svec:

If you plan on having lunch, please confirm with Ed on or before Friday, June 9th (before is MUCH better) so he can give the Winking Lizard a headcount.
